

Quick Start Guide

Step 1. Connect USB power cable to wall plug and Ethernet cable to your WiFi/Internet router.

Step 2. Goto <https://www.mytaglist.com/eth/activate.html> or install the WirelessTag mobile app from <http://wirelesstag.net/iosapp.html> (iOS) or <http://wirelesstag.net/webapp.html> (Android).

iPhone/iPad

Android

Step 3. Follow instructions on <http://wirelesstag.net/iosapp.html> (iOS) or <http://wirelesstag.net/webapp.html> (Web/Android) to associate tags one at a time.
