

## Quick Start Guide

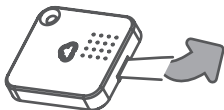

**Step 1.** Connect USB power cable to wall plug and Ethernet cable to your WiFi/Internet router.

**Step 2.** Goto <https://www.mytaglist.com/eth/activate.html> or download the WirelessTag app from <http://wirelesstag.net/iosapp.html> (iPhone/iPads) or <http://wirelesstag.net/webapp.html> (Android)

**Step 3.** Follow instruction on the web page to pull out battery insulation tab and associate tags one at a time.
